

What do you mean that it's time, time for me to grow up?  
I don't want any part  
It's right to follow my heart  
The new kids ran, ran out the back door fast  
And the bands that came before  
They had their noses in the air  
Pretending that they care about our scene  
Just because our money's green  
I'll tell you stage dives make me feel more alive  
Than coded messages in slowed down songs  
Now you're so ashamed, now I'm so ashamed of you  
We believed the same things

You stand to the side, rebirth of hardcore pride  
It all came true  
Too bad you can't see all the good things that I see  
Back in, back in the days  
When I'd wait to see the old bands play  
It didn't seem like wasted days  
I was so sincere, but now I see more clearly  
Music's only work to them  
It's not to me

So I say hats off to bands that change  
Good luck, go your own way  
Why play for us if your heart's not in it?  
Cause what might, what might seem dumb to you  
Is pounding in my heart  
Now you're so ashamed, now I'm so ashamed of you  
We believe the same things  
You stand to the side, rebirth of hardcore pride

It all came true, too bad you can't see, no, you just can't fuck  
king see it  
Now you just turn your back  
You said I don't want it anymore  
Old friends you attack  
Our pain out of touch  
You don't get it do you  
New stage, new ideas  
You don't have to make excuses for us  
Sitting there looking back, I'm scared  
Don't spoil memories of the way things were
