

Remember

Gorilla Zoe

And I remember
Back in the days they used to treat me like I wasn't shit
Even my teacher looked dead in my eyes
And told me boy you ain't gon be shit
But I'm like look at me now
Before I was this
Do whatchu need
I was just hustling and stealin the streets
I didn't know where else to go
I didn't even know where I would eat
Remember me going away too fast
And member my momma kickin me out.
Remember me turning to a man
And turning the partment into a spot
Well momma caught me cooking the work
Remember me sacking selling a lot
Member catching and locking me up?
My mommma be payin and bailin me out
Remember me doing what I wanna do
Hustlin and told her too
Bustin a neck in a foo
You know I was skipping the school.

And I remember
Back in the days they used to treat me like I wasn't shit
Even my teacher looked me dead in my eyes
And told me boy you ain't gon be shit
But I'm like look at me now (yeah bitch I'm the shit)
Look at me now (don't I look like the shit)
Look at me now (you can tell I'm the shit)
Look at me now (don't I sound like the shit?)

No I didn't stop
No I didn't quit
Look at me now (don't I look like the shit)
Look at me now (you can tell I'm the shit)
Look at me now (don't I sound like the shit?)

(Southern smoke)

Nothin is somethin
For askin my riches

Went from sex and no chicken
Went from walkin down just with me

But now I'm basically pimpin

But toms now that fifty
Gotta wizzy big and briddy

Cause I don't feel like chicken

And I remember
Back in the days they used to treat me like I wasn't shit
Even my teacher looked dead in my eyes
And told me boy you ain't gon be shit
But I'm like look at me now (yeah bitch I'm the shit)
Look at me now (don't I look like the shit)
Look at me now (you cat tell I'm the shit)
Look at me now (don't I sound like the shit?)
