I spent a fifty on my bracelet
Another hundred on my necklace
I'm leaving skid marks, buckle up
It's five, give 'em bubble guts
Pepperoni, extra cheese, I got shit, I need a pamper
The haters wanna taste it, tell 'em might give 'em a sample
All you gotta do, nigga, is watch me ball
Diarrhea on you niggaz like Niagara Falls
Cause I know how to ball
I buy up the mall
We fuck all the broads
I pass 'em to my dogz
Writtin' some new names
Speedin' in the fast lane
Tryin' to dodge the chain gang
Traffic in this cocaine

I doo-doo, I boo-boo, I poo-poo, I shit on 'em
I doo-doo, I boo-boo, I poo-poo, I shit on 'em
I doo-doo, I boo-boo, I poo-poo, I shit on 'em

If a bitch wanna choose to holla...
My phone, but I bet I won't call her
But son I bet I won't kiss her
Is the funk, and I bet you gonna miss her
You save 'em, I dismiss 'em
You love 'em, I just diss 'em
You eat 'em, I just shit 'em
It's like some from my picture
Now watch me break this picture
This pornographic photograph
Got your baby mama makin pornos in a bubble bath
I thought she bathe our way
