Cloud of Unknowing

On the cloud of unknowing My world seems open Every satellite up here is watching But I was here from the very start Trying to find a way to your heart

All the days are forgetting They've gone out with the tide Lost at sea somewhere, waiting Like setting suns at the rodeo Trying to find someone you'll never know

Oh, sinking love On the cloud of unknowing Every satellite up here is watching Waiting to see what the morning brings May bring sunshine on it's wings
