Déjà Vu

Gorillaz

One, two, three, four!

I like, oh oh oh (Déjà vu)
I like (Déjà vu)
I like (Déjà vu)
I like (Déjà vu)
I like

Oh, nah nah nah, oh nah nah nah nah (Déjà vu) (I like)
Oh, nah nah nah, oh nah nah nah nah (Déjà vu) (I like)
Oh, nah nah nah, oh nah nah nah nah (Déjà vu) (I like)
Oh, nah nah nah, oh nah nah nah nah (Déjà vu)

I like the future (I can do a lot of things nobody else can)
But it's really hard to get there (Protect your head or you'll end up dead)
I think I'll wear a space suit (I can do a lot of things nobody else can)
And don't forget your seatbelt (Protect your head or you'll end up dead)
Life is meant for living, if I do it again I'll do it with you
Sometimes it feels like I ain't met you, it feels like it's déjà vu (Déjà vu
)
Like we were made for each other, I don't mind my love in two
Baby we are perfectly imperfect, but that's what makes it you (I like)

Oh, nah nah nah, oh nah nah nah nah (Déjà vu) (I like, oh oh oh)
Oh, nah nah nah, oh nah nah nah nah (Déjà vu) (I like)
Oh, nah nah nah, oh nah nah nah nah (Déjà vu) (I like)
Oh, nah nah nah nah (Déjà vu)

My brain's creserted (I can do a lot of things nobody else can)
That means I'm lost in the desert (Protect your head or you'll end up dead)
Some say I'm a martian (I can do a lot of things nobody else can)
I always wear a seatbelt (Protect your head or you'll end up dead)
Life is meant for living, if I do it again I'll do it with you

Oh, you better learn to pack a cigarette now
Are you green every time when you step out?
I am pretty, pretty, put you in a good mood
A marine light yelling at your bedroom
Yes, [?]

No, I can't take it back (Hey!)
Yes, [?] can attack (Hey!)

('Cause I don't know what they are)
Get me up on the groove, yeah, in 1974
And we can dance all night at the club and I'll, and I'll take you home
I got my time travel on from your distant past where I've always been with y
