

# HillBilly Man

Gorillaz

Drive away,  
As in lonesome south  
Like a real straight-shooter  
Three lanes full

Drive away,  
As in lonesome south  
Like a real straight-shooter  
Three lanes full

Gotta ride in my heart  
Get em going down,  
You don't have to be a start,  
To, to get them going round

Even if you try to move,  
Wheel it to your right,  
So get on, on the driving wheel,  
Save it for a round,

Hillbilly, Hillbilly, Hillbilly Man now

Got a ride in my heart  
See I'm going down  
Cut up by the ball front,  
Shoot a jamboree,  
Just a cold lighted day,  
Like a memory,  
Just a cold lighted day,  
Slip a line on me,

Hillbilly, Hillbilly, Hillbilly Man now
