

# Hollywood

Gorillaz

Where the beautiful people at?  
I said where the beautiful people at?  
Beautiful people clap your hands  
Freaky people clap your hands  
Geeky people clap your hands  
Everybody clap your hands

Hollywood is alright  
Hollywood is fragrant  
Jealousy is gunfire  
It makes you kill the vibe  
(She's a wonderful thing)

Jealousy and dark times  
Sinking on the web  
There's more to love than that  
Jealousy is vibe down  
Jealousy is vibe down

Mmh, yeah!  
I'ma go walk  
All the way to the hills  
But you never know what's real  
So you have to be prepared  
You have to be ready  
You have to be ready  
'Cause she can be a bitch  
And it's a wonderful thing  
Hollywood  
She's so seductive  
She's got me looking for that dream  
I bow down  
She knows how to do it  
Exactly the way I like it

Hollywood is alright  
Hollywood is fragrant  
Jealousy is gunfire  
It makes you kill the vibe  
(She's a wonderful thing)

Jealousy and dark times  
Sinking on the web  
There's more to love than that  
(But I love her)  
Jealousy is vibe down  
Jealousy is vibe down

Man, I came through with that big fat chain on my neck  
Little did they know, no sweat  
So I dimmed out, rimmed out and cracked the glass  
Twenty-five pounds, can you match that bag?  
'Cause if you not, raise up  
I got a deal to make  
And a couple bad bitches  
I've been making a break  
Wake it and bake

I put the cake on the plate  
Jealousy and me? Oh, we're making the day  
I'ma vibe with this, Hollywood, nigga won't survive this shit  
I do that, did that, blow your fuckin' wig back  
Forreal-a, gorilla, who loves goin' bareback  
They wanna eye me down, tie me down, knock me off  
But I'm a lion in the dog pound  
Now, how that sound?

Hollywood is alright  
Hollywood is fragrant  
Jealousy is gunfire  
It makes you kill the vibe  
(She's a wonderful thing)

Jealousy and dark times  
Sinking on the web  
There's more to love than that  
Jealousy is vibe down  
Jealousy is vibe down

She's just what I need  
(And it's a wonderful thing)  
In this city of dreams  
(And it's a wonderful thing)  
You know how to ride me  
(And it's a wonderful thing)  
You know how to excite me  
(And it's a wonderful thing)

She's a wonderful thing  
She's a wonderful thing
