

Machine Bitez #12

Gorillaz

Anyway. Echo chambers, shmecho chambers, when everyone agrees..
.

The sound of your own voice reverberating through space forever
Oh man...

Second name sounds a bit like "wif"

"With"

What are you talking about?

He went into the sea... You and me...

Little Mermaid? Are we talking about Little Mermaid?

Uhm...

We had a kid at school, his name was [censored] and we used to
call him "[censored] yogurt", 'cause it rhymed
