

## Machine Bitez #15

## Gorillaz

But what he likes the Pink Phantom is negativity, and you're very negative, Murdoc

Well yeah, you call it negativity, when you're into duality again, basically, it's a one, isn't it really?

Negative, positive

You can't be positive without negative, you know what I mean?

You can't have positive (No) without negative (He right)

You can't have up without down

You can't have Ant without Dec

Have you ever been positive for a whole hour?

Should we try it?

Don't know if I could do it!

Do you like my shoes?

No

See, that's negative

Noodle, what do you think about my shoes?

[illegible]

I think she's got a point
