Hello, how are you doin'?

How are you doing? I'm good, what's happenin'?  
What'd you get for Christmas?  
You said Father Christmas might not get you things because you  
hadn't been a hundred percent good

Yeah, he just brought me a good item, you know what I mean

Really, ah, well, um, I got a Louis Farreux tee shirt, and that  
was sweet actually

Ah, bet, he's the boy

"Momentary Bliss," ah, mate, what a tune  
You know when you're doing some cooking or something  
And you got the fan on  
And then you turn the fan off and it, ah, all quiet  
Like, that to me, is momentary bliss  
What do you think momentary bliss is?

It's about false idols and people who are not in control of the  
ir own destiny  
And they lay their destiny to other people (Right)  
And hold themselves to an industry that castrates the business

Sweet
