

Machine Bitez #8

Gorillaz

It's a number, isn't it? You know, it's just a number, you know and people are scared of this number. It's just a number!

But what about Octavian?

Where did he get that name from?

From uh, Romulus and Remus.

Ohhhh...

Ahhhh.

You could be in a tunnel

Hmm.

Sometimes the light is the end of the tunnel.

Right.

Sometimes it's just a train.

Wow! I'll tell you what though, that must have been a...

As soon as you said tunnel there was a train!

That's right.

It's always important to remember that every day can be beautiful if you want it to be.

Yeah.

I think it's about your perception, don't you think?

And- and- and every day starts in the dark.

That's right.

And ends in the dark.

Ah man.

That's right.

But in the middle there is light.

Yeah.
