

Machine Bitez #9

Gorillaz

Oh my, we're back!
You've been digging that hole for three days
Yeah, I can't find anything though, what's the point? Ugh!

It's colder and and ScHoolboy Q can't join us for a bit. He only came in for five minutes just to forage something and he ended up writing a song

Uh, what? Oh dear

You feel me? 'Cause he didn't have no jam, of course

Oh!

Then he put the track down, he liked to jam, yeah

Oh, yeah, yeah. Well, when he said he liked to jam, I didn't know what he meant. I...

You misunderstood because you went and got him some of the...

A guitar

Don't put jam on the beat. Put Q on the beat

Yeah
