

# Rhinestone Eyes

Gorillaz

I'm a scary gargoyle on a tower  
That you made with plastic power  
Your rhinestone eyes are like factories far away

Where the paralytic dreams that we all seem to keep  
Drive on engines 'til they weep  
With future pixels in factories far away

So call the mainland from the beach  
All parties now washed up in bleach  
The waves are rising for this time of year

And nobody knows what to do with the heat  
Under sunshine pylons we'll meet  
While rain is falling like rhinestones from the sky

Uh  
Mmmmm...

I got a feeling now my heart is frozen  
All the bowses and the growses  
Have been abstinated in my soul

I prayed on the immovable  
Yeah, clinging to the atoms of rocks  
Seasons, the adjustments, signs of change

I can't see now she said taxi  
Now red light is all I can take  
This dawn brings strange loyalties, and skies

I'm a scary gargoyle on a tower  
That you made with plastic power  
Your rhinestone eyes are like factories far away

(Here we go again)  
(That's electric)  
Uh  
(That's electric)

Helicopters fly over the beach  
Same time everyday, same routine  
Clear target in the summer when skies are blue

It's part of the noise when winter comes  
It reverberates in my lungs  
Natures corrupted in factories far away

(Here we go again)  
(That's electric)  
Your love's like rhinestones, falling from the sky  
Uh  
(That's electric)  
With future pixels in factories far away  
(Here we go again)  
(That's electric)  
Your love's like rhinestones, falling from the sky

Uh  
(That's electric)  
With future pixels in factories far away  
(Here we go again)
