

Strange Timez

Gorillaz

Spinnin' around the world at night
Spin around in black and white
Spinnin' around until the Sun comes up
Strange time to see the light

Spinnin' around the world at night
Spin around in black and white
Spinnin' around until the Sun comes up
Strange time to see the light

Spinnin' around the world at night
Spin around in black and white
Spinnin' around until the Sun comes up
Strange time to see the light

Spinnin' around the world at night
Spin around in black and white
Spinnin' around until the Sun comes up
Strange time to see the light
