

# BEING A JERK

Gorod

Being a Jerk

Attack!!!

Going to the party  
With no invitation  
I make sure always to show up empty handed

I'll pester every girl  
And I'll come way with one of them  
'Cause in the end they're all asking for it!

My will the road to fame  
My way is the only way to win  
I will get everything I want because the less you care the more you get!

I had never paid attention  
But I just realized  
For the first time I'm listening to your stories  
Bro! It's amazing to see  
How your words are empty  
Just like the life you have completely FAILED!!!

My will the road to fame  
My way is the only way to win  
I will get everything I want because the less you care the more you get!

It feels so good...

I won't pay  
For shitty local shows  
I know hot flatter  
the top dog's ego  
I won't pay! (sorry I ain't got no money)...

All Access area  
is my second name!!!

To all those  
Who glorify me  
I leave them only crumbs

It seems I have competition  
Too many people know how good it feels to be like this  
Why should I show respect to inferior beings?  
Attack remains the best form of defense!

My will the road to fame  
My way is the only way to win  
I will get everything I want because the less you care the more you get!
