

Tough

Gossip

You need a change, so make a change
You'll figure out someday
You're getting wrong and drive by
Aah, aah

We end so tough
We all need someone, oh oh oh
When you wind it up
Turn your back and it's gone

Ooh ooh, hey hey hey
Ooh ooh, hey hey hey
Ooh ooh

We end so tough
We all need someone, oh oh oh
[?] at a dawn
And you won't belong, oh oh

Ooh ooh, hey hey hey
Ooh ooh, hey hey hey
Hey hey hey
Ooh ooh, hey hey hey

We end so tough
Can always be [?] one, oh oh oh
When you had enough
Then you know you won't belong, oh oh

Ooh ooh, hey hey hey
Ooh ooh, hey hey hey
Ooh ooh, hey hey hey
