

Where the Girls Are

Gossip

That's where I'll be
Where the girls are
That's where I'll be

Could I give it to your sister
Girl I love you like no other
I'll be your mistress, be your mistress
Girl, I'll give it to your mother

When I'm right, I say I'm right
If I'm wrong, please tell me I'm wrong
Come on home with me tonight
Let me love you all night long

If I'm wrong, please tell me I'm wrong
