

He Knows My Love

Gossling

I've got his fingers,
I've got his hair,
I've got his eyes,
Surprise, I've got his humour,

I've got his thoughts.
I've got his love.
I've got his skin,
I've got his mouth,
I've got his ears,
It's so clear, I've got his talents,

I've got his heart.
I've got his love
I've got his love
He knows my challenge,

He knows my plan,
He knows my place.
He knows my love
He knows my love
He knows my love
He knows my love
