G7 turn up... Ok

Got my fresh brand new kicks on

Feeling like a G6 Got the game on

Forget the worries like there's no tomorrow, hommie

From now on - Volume turn it up higher, hey get it

Call one and two and everyone

Turn up Make it louder

Let go with your mood up and follow the rhythm

Take off the mask of reality today

Now be free from everything

Let's party, everyone is shining

Everyone raise the volume, burn it up

Today heat it up yeah

I'm breathless

And my whole body is sweaty

But I don't want to stop

What you gon What you gonna do

Baby drop the bass and make me go crazy
Let's boom boom boom
So I can't let my body be still
Let's boom boom boom
Tonight just Party Rockin Ballin Groovin
Let's party like there's no tomorrow
Party all night long
Let's boom boom boom

Let me do it like

Double B
Party all night girl was tonight this hot from start
I'm not into feigning innocence Adios
I decide how I want to move here
Yeah turn all the lights on
Don't care about stress
I'm not distracted, I'm just beating to this bass
Tonight's lights and stares are all mine

Now be free from everything
Let's party, everyone is shining
Everyone raise the volume, burn it up
Today heat it up yeah
I'm breathless
And my whole body is sweaty
But I don't want to stop
What you gon What you gonna do

Baby drop the bass and make me go crazy
Let's boom boom boom
So I can't let my body be still
Let's boom boom boom
Tonight just Party Rockin Ballin Groovin
Let's party like there's no tomorrow
Party all night long
Let's boom boom boom

Let me do it like

So you won't go,
So you won't run away from this atmosphere
We goin up baby
We goin up goin up goin up tonight

What you waiting for, wake everyone up
What you waiting for, everyone scream
What you waiting for, do what you feel like
Party all night like this

Baby drop the bass and make me go crazy
Let's boom boom boom
So I can't let my body be still
Let's boom boom boom
Tonight just Party Rockin Ballin Groovin
Let's party like there's no tomorrow
Party all night long
Let's boom boom boom
