When I walk over and stand in front of you
When we meet eyes and look at each other
Don't avoid my eyes, where are you looking?
Don't turn your head, let me see your face

I want it, solo, solo
I came back, so long, so long
It took too long to come back
I thought so hard about going back to you

I'll go back, will you wait for me?
That kind of moment won't ever come again, no
I haven't forgotten you for a single moment

I'll want you more, without being self-conscious
I'll want you more, without a care
I can't help it now
I wanna go how my heart goes

You don't know, you'll never know
Know this, accept me, yeah
I'll want you more, yeah

I can't help it now

I want to hold your hand
A lot of people want you
Everyone wants to see you alone
They're going crazy, guys who look at you
I keep thinking bad thoughts

Yea, even I can see you're worth all that I won't
Make it obvious - whenever I see you, I'm so thankful
Do I have to keep hanging onto you like this?
You keep ignoring me, what do I do?

I'll go back, will you wait for me?
That kind of moment won't ever come again, no
I haven't forgotten you for a single moment

I'll want you more, without being self-conscious
I'll want you more, without a care
I can't help it now
I wanna go how my heart goes

You don't know, you'll never know
Know this, accept me, yeah
I'll want you more, yeah
I can't help it now
