I've never seen someone like you
You're like a walking art work
Oh my oh my oh my god
The sky seems to be a song

I like your fair baby - like cheeks
And your nose that's seems to glide
I like it oh yeah
I'm only focused on you

Just a little plump you're too beautiful
I'm really curious about how it might be to touch you
When you laugh and I pinch your cheeks
I wanna see it - I can't stand it anymore my girl

Eyes on you, my eyes keep going to you
My eyes keep going to her cheeks
Don't worry, don't be frightened
Trust me more than anyone
Because I'm a man
Eyes on you, my eyes keep going to you
How can you be so beautiful
Look at me, give me a smile

1 2 3 action

Hey hey yeah hey hey hey
Eyes on you

By nature I'm not an easy man
But how come I only look at you
No way no way lose my mind
My mind has become blank

I like the way you look at me
I like your small lips too
I just like everything about you hey
I'm slowly falling for you

Oh you're a woman who's like a blackhole
You're on my mind all day
With that pretty face you smile at me
I can't endure it anymore my girl

Eyes on you, my eyes keep going to you
My eyes keep going to her cheeks
Don't worry, don't be frightened
Trust me more than anyone
Because I'm a man
Eyes on you, my eyes keep going to you
How can you be so beautiful
Look at me, give me a smile
