I wanna fly baby fly with you

Aye, are you happy? I'm happy yeah
Every morning when I open my eyes, it feels like a dream
It feels like the dazzling sun is shining for me
Again today, without fail, my day starts with you
Do you sleep well at night?
Sometimes, I can't believe my reality so I wake up
You know what I mean? Sometimes I was afraid
It was such a crazy journey but now I'm back in your arms

You're my comfort. Every day I'm praying
You're my comfort, up in the sky. I wanna fly above
Let me hear u say

We're gonna fly, fly... I wanna hold you and fly
Will you go with me girl?
We're gonna fly, fly... Our dream is right here
It's burning in my heart girl
Fly fly... our time is like a rain shower
And the sun crossing over
Fly fly... when we come out of the tunnel
I'll brightly shine on you

Why are you so afraid of being loved?
I'm right here next to you so what's there
To be afraid of? - Our love is ordinary
But you can't measure its value. You hear me?
It feels like we're flying
But falling at the same time
But I wanna go higher
I wanna fly straight up
You gotta get there to see the end
So don't let go and hold on tight
I'll heat up your heart so that it's hot
I'll set everything on fire for you
Even among the countless stars
You're in my arms

You're my comfort. Every day I'm praying
You're my comfort, up in the sky. I wanna fly above
Let me hear u say

We're gonna fly, fly... I wanna hold you and fly
Will you go with me girl?
We're gonna fly, fly... Our dream is right here
It's burning in my heart girl

Oh oh oh oh oh I just wanna be
I just wanna be with you
I just wanna be with you

Oh oh oh oh oh I just wanna be
I just wanna be with you
I just wanna be with you

We're gonna fly, fly...
I wanna hold you and fly
Will you go with me girl?
We're gonna fly, fly...
Our dream is right here
It's burning in my heart girl
Fly fly... our time is like a rain shower
And the sun crossing over
Fly fly... when we come out of the tunnel
I'll brightly shine on you
