Wherever I go,  
eyes are on me like a shadow  
Of course, everything is seen  
through a red light lens  
Because I wanted to protect you  
I couldn't stay by your side

So Girl, Let's Go, just for today babe

Don't worry about anything, trust everything to me

We're feeling good tonight, A night only for you  
We got the night, Just like this, just us two  
Good tonight, If you're okay with it  
All the night, Just like this, we're feeling good

Everything, we're good tonight  
This is our own show tonight  
Everything is good night  
Because I only need you

Don't care too much about it  
No one can find us  
Don't hide it  
You can be honest today  
Slowly come to me  
So I can't see the end baby

So Girl, Let's Go, just for today babe  
Don't worry about anything, trust everything to me

We're feeling good tonight, A night only for you
