Oh, the moment our eyes met
The time we spent together passed by
You were still within reach
That means your breath still lingers

Our same old habits
Proof that we were together
Our different ways of talking
Now, we seem to be speaking different things
Anymore, anymore

Oh, the moment our eyes met
The time we spent together passed by
You were still within reach
That means your breath still lingers

Even if we don't fill each other up
Even if we bloom in the memories that remain
I can't forget what you said
There is a love that's good

Carved into the wind, I'll send you off

Oh, the moment our eyes met
The time we spent together passed by
You were still within reach
That means your breath still lingers

Even if we don't fill each other up
Even if we bloom in the memories that remain
I can't forget what you said
There is a love that's good
