Sweet talk to me babe
It's magical

A midday dream, it doesn't feel real

As always, it feels like a lie, When I open my eyes, I am in your arms
A sigh of relief
Girl, my name that you call, Everything that passes through you becomes beautiful
I bloom anew, I bloom
Bloom, I'm surprised, Do you know more? I'm fallin' as far as i can go
My heartbeats don't stop, it gets faster everyday
Girl whisper in every language
It's like a sweet snuggie, I can't stop it
I have no intentions to stop it, I am always the one finding you
I can't fall even for a second, I want to keep you by my side forever

Sweet talk to me babe, It's magical
Sweet Lullaby I want it more everyday
Sweet talk to me babe, It's magical
I can't escape from you

Drawn in like a drunk to you, this feeling
So that it continue, I want it, I want it
My eyes are getting heavy, they close, this moment
So that it can be forever, I want it, I want it

You make me ay, ay, ay
You make me, quietly, slowly, I fall asleep
You make me ay, ay, ay
Like a wind that blows softly

A touch that is like a stroke on the head
This sunlight that is a little bright
This languid mood is perfect
My heartbeats don't stop, it gets faster everyday

Even if it becomes dark with your hand, It's okay
The darkness can also feel bright because it's you
I have no intentions to stop it, I am always the one finding you
I can't fall even for a second, I want to keep you by my side forever

Sweet talk to me babe, It's magical
Sweet Lullaby I want it more everyday
Sweet talk to me babe, It's magical
I can't escape from you

Drawn in like a drunk to you, this feeling
So that it continue, I want it, I want it
My eyes are getting heavy, they close, this moment

If it's a dream, don't wake me up
Childishly I hope for forever, I want you endlessly
