

# Made It

GOT7

We should get some chills  
Pulling up in them  
Brand new wheels  
Don't need couple hundred mills  
Walking Rodeo Beverly Hills

We should get some chills  
Ambition we keep it trill  
Ain't no matter  
'Bout what you feel  
Slow down  
We can get some chills ey

Gotta get them chills  
Party like every day Sunday  
Gotta get them chills  
Celebrate like every day birthday  
Rock it like we driving  
Through the endless highway  
All them Party DNA inside my blood

Catch me throwing away  
All them phones  
Can't stop me  
We gon chill and party I announce  
Catch me we gon party  
With no stress 'til noon  
Don't think about leaving  
Right now it's too soon

We gon ball so hard we made it  
Fly so high we made it  
Dripping all along we made it  
Tell them we got the sauce  
We made it

Ball so hard we made it  
Fly so high we made it  
Dripping all along we made it  
Tell them we got the sauce  
We made it

Aye one man I made it  
Ya we all we made it  
Aye one man I made it  
Ya we all we made it  
Aye one man I made it  
Ya we all we made it  
Aye one man I made it  
Ya we all we made it

I'm just who I am  
Got no time for them  
I'll be traveling everywhere  
Can't stand no traffic jam

I've been cooking them

Vibes since day one  
Putting WANG flavor all over them  
Getting that taste  
Put a little WANG sauce  
All begging me for another one

Walk talk it like a boss now  
24 be the year now  
Got time for the bet now  
We gon give it all out  
Riding rollercoaster  
Popping in the air now  
Enjoying all the process

Catch me throwing away  
All them phones  
Can't stop me  
We gon chill and party I announce  
Catch me we gon party  
With no stress 'til noon  
Don't think about leaving right now  
It's too soon yeah

We gon ball so hard we made it  
Fly so high we made it  
Dripping all along we made it  
Tell them we got the sauce  
We made it

Ball so hard we made it  
Fly so high we made it  
Dripping all along we made it  
Tell them we got the sauce  
We made it

Aye one man I made it  
Ya we all we made it  
Aye one man I made it  
Ya we all we made it  
Aye one man I made it  
Ya we all we made it  
Aye one man I made it  
Ya we all we made it
