

This is for my dream
This is for my love

I'll do anything I wanna do
You already know
On my grind I put in work
Determination in my soul
Bujokhan jeom manha gal giri meoreosseo
Swipge pogihaji anha No

Wiro Is the only path
I'm choosing
Wiro Is the only way
I'm going
Apgireun seonmyeonghae seonggonghal geo bunmyeonghae
Yeah yeah

I'm running geugoseuro gago isseo
Jogeuroman jinamyeon da boil tende
Himdeul ttaen eoduun gin teoneolgwa gata
Let's say it's another
Beautiful night

And this is for my dream
This is for my love
Every time I run
I'm just movin' on and on and on

This is for my dream
This is for my love
Every time I run
I'm just movin' on and on and on

I'm walking down the hallway
Been waiting for the D-day
No matter what they say
Go at my own pace

Believing I can make it yeah
Spotlight shining at me
One day yeah
Ambition be my compass
I row I row
Like no tomorrow

I'm running geugoseuro gago isseo
Jogeuroman jinamyeon da boil tende
Himdeul ttaen eoduun gin teoneolgwa gata
Let's say it's another
Beautiful night

And this is for my dream
This is for my love
Every time I run
I'm just movin' on and on and on

This is for my dream

This is for my love
Every time I run
I'm just movin' on and on and on
