Don't say bye
I don't wanna let you go, time is wasting
I know your heart
Is like my heart like decalcomanie

So dangerous, you can see my heart, it's see-through
So beautiful, you're stealing my line of vision
So dangerous, you're driving me crazy baby
Even your smallest gestures, I'm done

I've been waiting for you
I can't go on if it's not you, I am you and you are me
So baby welcome to my zone
