I'm like this because you're so pretty yeah
I'm like this because you're so pretty
Whenever I see you
I only act like that towards you more

You shine brightly you don't have to show off,
Your face and body, what are you doing
I'm falling harder for you

This is crazy everything is perfect,
Be cold to other guys
And please be honest to me, only me

Sometimes I worry because you shine too brightly
Other guys look at you I don't like that at all
Because the way you dress and your body
Makes the guys go crazy including me
No for need high heels. Just jeans and sneakers
And a little bit of accessories
Just wearing a T shirt you're perfect baby
I like you like this I got some more to say

When other guys just look at you
I get anxious somehow
Tell me every day that you are mine
I want you and want you more
When other guys just look at you
I get anxious
And tell you that you are mine
Every day I think of only you

I'm like this because you're so pretty yeah
I'm like this because you're so pretty
Whenever I see you
I only act like that towards you more

I think I'm crazy the more I see you
The more my head fills with you
It spreads to my heart
My breath gets shorter

Aye girl you're so bright
Your beauty shines
All them other guys
Fall for you when you walk by

I get anxious I'm telling you they fall for you
Here there everywhere it's all guys
So please I put my hands together and pray
That you will stay by my side. Please hold me tightly

When other guys just look at you
I get anxious
And tell you that you are mine
I want you and want you more
When other guys just look at you
I get anxious
And tell you that you are mine
I only think of you every day

You shine so brightly be next to me
You sine so brightly only shine on me
You shine (so much) you shine (anyone can see that)
You shine (the more I see you) you shine (baby)

I'm like this because you're so pretty yeah
I'm like this because you're so pretty
Whenever I see you
I only act like that towards you more
