

# SMOOTH

GOT7

When this gets rocky  
I gotta move  
Let's skip the talking  
And set the groove  
Don't gotta be somebody new  
Just feel your body  
And let it loose

Baby, take it off, go and drop that weight  
I'm like, leave it all when this don't go my way  
I'ma walk it off and just do my thing  
I don't see no red lights

I like it when it's smooth (Smooth)  
I like it, like it when it's smooth  
I like it, when it's smooth (Smooth)  
I like it, like it when it's smooth

Smoo-o-o-o-o-o-o-o-o-o-ooth  
Smoo-o-o-o-o-o-o-o-o-o-ooth  
Smoo-o-o-o-o-o-o-o-o-o-ooth  
Smoo-o-o-o-o-o-o-o-o-o-ooth

Baby, you're floating come and ride on my wave  
Dance like there's no tomorrow just got today  
I need a little bit, yeah, just want a taste  
Of that good life  
Everyday

Baby, take it off, go and drop that weight  
I'm like, leave it all when this don't go my way  
I'ma walk it off and just do my thing  
I don't see no red lights

I like it when it's smooth (Smooth)  
I like it, like it when it's smooth  
I like it when it's smooth (Smooth)  
I like it, like it when it's smooth  
I like it when it's smooth (Smooth)  
I like it, like it when it's smooth  
I like it when it's smooth (Smooth)  
I like it like it when it's smooth

Smoo-o-o-o-o-o-o-o-o-ooth  
Smoo-o-o-o-o-o-o-o-o-ooth  
Smoo-o-o-o-o-o-o-o-o-o-ooth  
Smoo-o-o-o-o-o-o-o-o-ooth

Oh, hey, oh
