□ □ □ □ □ □□  
I got a feeling got a feeling  
Got a feeling about you  
□ □ □ □□□ □□

When you look at me and smile  
I somehow start to smile with you  
When I walk following your footsteps. It's so  
Good because the footprints are left in my mind  
It's so sweet it makes me happy always  
I want to see your pretty face alone  
One day without you, it's not beautiful  
But if I'm with you everything's all good

Hurry and come to me  
I want to embrace you  
Hold me with your small hands  
And never let go  
Don't think it's weird  
I just want to have you  
Be next to me and don't go anywhere  
Be right here

I want to see you even when I see you  
One day is not enough  
I will only look just as we are  
When I look at your tightly in my arms  
There's nothing more important I know  
You are special everyday in my world

I got a feeling got a feeling  
Got a feeling about you

When I am in your eyes  
I got a feeling got a feeling  
Got a feeling about you  
You're more tender than spring sky and clouds

Even when someone else talks to you  
I don't get worried for some reason  
Whatever you do. I can believe in you  
You and I get closer. You can tell  
From my expressions that I can't hide  
Even if I don't say anything  
That my heart is beating in a way  
I cannot describe in words

Hurry and come to me  
I want to embrace you  
Hold me with your small hands  
And never let go  
Don't think it's weird  
I just want to have you  
Be next to me and don't go anywhere  
Be right here

I want to see you even when I see you  
One day is not enough  
I will only look just as we are  
When I look at you wrapped tightly in my arms  
There's nothing more important I know  
You are special everyday in my world

Now come to me and tell me  
That you would always be next to me  
Whisper see in my ear  
Look into each other's eyes  
So I can feel  
Your heart even when we're apart

I want to see you even when I see you  
One day is not enough  
I will only look just as we are  
When I see you wrapped tightly in my arms  
There's nothing more important I know

You are special everyday in my world  
I got a feeling got a feeling  
Got a feeling about you  
When I am in your eyes  
I got a feeling got a feeling  
Got a feeling about you  
You're more tender than spring sky and clouds
