Listen

The feeling autumn left
The chilly wind that hints winter is coming soon
I can still feel your warmth
So I know fall and winter would be painful

The one I loved without a reason
Is disappearing
Remembering our memories
I'll cherish them
My time with you
I realized was a treasure
My love, love, you're leaving me now
You're leaving me now

Oh no, no... oh oh...

The river reflects off so many stars
Among one of them
Is a pretty little star
This star can get a little close
But once it drifts, it's gone forever

The one I loved without a reason
Is now leaving me
Our memories
I'll cherish
The time spent with you
I realized was special
My love, love, you're leaving me
You're leaving me now

No oh oh oh... oh...

Don't go (don't go) I won't let you go, listen
The playground we used to play at
Now makes it even harder to forget you
I don't have courage like the young me
Who was a warrior
Instead of supporting you, I now write lyrics
Woah oh...

The one I loved without a reason
Is disappearing
Remembering our memories
I'll cherish them
My time with you
I realized was a treasure
My love, love, you're leaving me now

Love love yeah, woah (yeah, yeah)
Love love yeah, oh no...
The time spent with you
I realized was special
My love, love, you're leaving me

No oh... oh oh...
You're leaving me now
