Let me see you do
Let me let me see you want me baby
Let me see you do

Let me see you want me baby
Let me see you do
Let me let me see you want me baby
Let me see you do

Something's different. baby watch me like that
I can only see you. I can't take my eyes off from you
I go one step closer
Following your shadow yeah
Which shakes my eyes oh

I get drunk by your eyes which are looking at me
I can't even miss one single moment oh
You are especially beautiful today girl
Let me stop this time tic tic tok

You. everything is filled up with you
I can't hide it
Show me come closer to me
So that I can feel you

Let me see you want me baby
Let me see you do

Let me let me see you want me baby
Let me see you do

Baby please look at me
Yes like that. baby show me your love
I want to lock you in me who's shining yeah
I spell on you oh

I fall into your lips that's whispering
I can't even forget about it for a second oh
Day by day, it dyes me
Let me stop this time tic tic tok

You. everything is filled up with you
I can't hide it
Show me come closer to me
So that I can feel you

Ok running out of time
So for now just look at me
Get it on right just two of us
Give it to the fullest without any regrets
Run as you want, just two of us
So that you can lean on me come here
Lean on the broad shoulder now
Feeling fresh and new
Feel it. here's our stage

Let me see you want me baby
Let me see you do
Let me let me see you want me baby
Let me see you do

Show me yourself just like that, look at me
So that I can embrace you who's inside of me
My heart wants you. I hope you to feel the same
Let me control you. you know you like it baby

You got me good I feel real good. I fell in love at first sight
Everything has stopped in this place - no time to
Be bored. just like this, keep going, beautiful you
Carve yourself inside of me, girl you're my diamond

You, this feeling that makes everything special
I can't hide it
Show me come closer to me
So that I can feel you

Let me see you want me baby
Let me see you do
Let me let me see you want me baby
Let me see you do
Let me let me see you want me baby
Let me see you do
Let me let me see you want me baby
Let me see you do
