And all I wanna do is love  
And all I wanna do is show you that I care  
And all I wanna do is love

So we go 'round  
So we go 'round

So we go 'round  
So we go 'round  
So we go 'round  
So we go 'round  
So we go 'round  
So we go 'round

So we go 'round  
So we go 'round  
So we go 'round  
So we go 'round  
So we go 'round  
So we go 'round

And all I wanna do is show you that I care  
And all I wanna do is love  
And all I wanna do is show you that I care for you  
You're all that's on my mind
