

## Dazed

Goth Babe

Take me to your house  
Figure each other out  
What is this feeling girl  
Every day feels the same  
And am I going insane  
What is this feeling now

Am I dazed?  
What is this face?  
And am I dazed?  
Or is this fate?

My mind [?] round and round  
I see every thing that surrounds  
What is this feeling now  
Every day feels the same  
And am I going insane  
What is this feeling now

Am I dazed?  
What is this face?  
And am I dazed?  
Or is this fate?
