

## Eel Mountain

Goth Babe

Oh right, I've said it again  
Only a lifetime  
Oh right, I've said it again  
Only a lifetime  
Oh right, I've said it again

I know I'll wait for you  
I know I'll wait for you  
I know I'll wait for you  
I know I'll wait for you

No, I've said it again  
Only a lifetime  
Oh, I've said it again

Oh no, I'll wait for you  
Oh no, I'll wait for you  
Oh no, I'll wait for you  
Oh no, I'll wait for you
