

## Froggies

Goth Babe

Only at the ending does she cry  
Only time will tell if she's alive  
Feelin' all alone when I get a call  
Halfway cross the world, I guess that's fine

And you don't wait for the dreamers  
Wouldn't you, wouldn't you hate to go?  
You don't wait for the dreamers  
Wouldn't you, wouldn't you hate to go?
