

# Holy Tonight

Goth Babe

Holy tonight  
I want something to happen now  
Holy tonight  
I want something to happen now

Taking what you want, what you really really want  
And looking for God I'm looking for a while now  
Taking what you want, what you really really want  
And I don't wanna stop, I don't wanna stop, I don't wanna  
Taking what you want, what you really really want  
And looking for God I'm looking for a while now  
Taking what you want, what you really really want  
And I don't wanna stop, I don't wanna stop, I don't wanna

I wanna find what I'm looking for  
I wanna find what I'm looking for  
I wanna find what I'm looking for  
I wanna find what I'm looking for

Holy tonight  
I want something to happen now  
Holy tonight  
I want something to happen now

Taking what you want, what you really really want  
And looking for God I'm looking for a while now  
Taking what you want, what you really really want  
And I don't wanna stop, I don't wanna stop, I don't wanna  
Taking what you want, what you really really want  
And looking for God I'm looking for a while now  
Taking what you want, what you really really want  
And I don't wanna stop, I don't wanna stop, I don't wanna

I wanna find what I'm looking for  
I wanna find what I'm looking for  
I wanna find what I'm looking for  
I wanna find what I'm looking for
