

I'm In Luv

Goth Babe

You know that I would
You know that I could
Tell you that I know that I'm in love
You know that I would
That I could
Tell you that I know that I'm in love

You know that I would
You know that I could
Tell you that I know that I'm in love
You know that I would
That I could
Tell you that I know (that I'm in love)

(That I'm in love)
(That I'm in love)
(That I'm in love)

(That I'm in love)
(That I'm in love)
(That I'm in love)
(That I'm in love)
(That I'm in love)
(That I'm in love)
(That I'm in love)
