Insides

Goth Babe

Wait for the right time
I wanna break, I wanna breathe, I wanna feel what you had in mind
Fill up my insides
I wanna break, I wanna breathe, I wanna feel what you had in mind

Wait for the right time
I wanna break, I wanna breathe, I wanna feel what you had in mind
Fill up my insides
I wanna break, I wanna breathe, I wanna feel what you had in mind

Ah, ah, ah, ah
Ah, ah, ah, ah
Ah, ah, ah, ah
Ah, ah, ah, ah

And I wasted your time when everything would go wrong
I'd run for the hills when I knew that you would, knew that you would wait
I wasted your time when everything would go wrong
I'd drive down the coast when I knew that I would, knew that I'd escape

Ah, ah, ah, ah
Ah, ah, ah, ah
Ah, ah, ah, ah
Ah, ah, ah, ah
