

## Messin' Around

Goth Babe

I take you I need you here  
But you won't be around  
It only lasted for a bit  
And now she can't be found  
She grabbed me before I knew what was going on  
That's when I really knew just where I belong

I got you feeling up alright  
I got you feeling me tonight  
I got you feeling up alright  
I got you feeling me tonight

I looked you right in the eyes  
Before I went down  
You gave me a sorta smile  
And now I want you around  
Why does this sorta thing happen to the best  
Can you please just speak with me just a little less

I got you feeling up alright  
I got you feeling me tonight  
I got you feeling up alright  
I got you feeling me tonight
