

Sunshine

Goth Babe

You took my hand, I let you shine
Feet in the sand, your heart is mine
Cause you're my sunshine
Cause you're my sunshine
Cause you're my sunshine
Cause you're my sunshine

You won't let go, I thought you would
You told me no, you knew I'd stay
Cause you're my sunshine
Cause you're my sunshine
Cause you're my sunshine
Cause you're my sunshine
