Gothminister

Ich will alles  
Ich will alles  
Ich will alles

The time is up before us and we stand alone  
Against the cruel sea  
When the lights go out  
I'm leaving God behind  
'Cause I have darkness on my mind  
It is a sign of the times  
If you close your eyes and feel  
It becomes so real

Ich will alles

I am the one that they fear the most  
It's as if I was a wicked ghost  
It's pure evil

Ich will alles

I am eternal like thousand stars  
Who ought to practice the blacked arts  
I can see through space and time

Ich will alles

When night has filled the air  
And the candles burn  
On the altars bare  
Where only fools will dance  
To the soundtrack for the blind

Ich will alles

I am the only one who's pursues your sons  
That communicate with the ones who died  
Those that have been left behind  
'Cause I have darkness on my mind  
It is a sign of the times  
If you close your eyes and feel  
It becomes so real

Ich will alles

I am the one that they fear the most  
It's as if I was a wicked ghost  
It's pure evil

Ich will alles

I am eternal like thousand stars  
Who ought to practice the blacked arts  
I can see through space and time
