

Raise the Dead

Gothminister

Witchcraft
Magic powder
Puffer fish
Tetrodotoxin
Hyla tree frog
All you need to raise the dead
The lizard and the spider will
Irritate and break your skin
Put you to sleep and break your will
Now mix all the ingredients
To raise the dead

Night falls in the world I used to know
The sun will be darkened and the memories will flow
Night falls, I remember everything
I lost you to them, but I promised them revenge

Witchcraft
Magic powder
Sea worm
Marine toad
Remains from a human being
To raise the dead
I lost you to them, but I promised you revenge
I promised you revenge
Deathlike
Repulsive animation
After being buried in a psychotic state
Night falls
