

# Taking Over

Gothminister

She holds the key deep inside  
The spirit in its mind?  
She's the one who can communicate with the ones who died  
Their fathers still alive  
And from the other side  
They are predicting what should come  
The underworld is dealing cards  
And summer will move on

And all this time under water  
All this time  
Did the water take or was it  
Something else that sent a father to his grave?  
What did happen all this time?  
Did the water take or did it smack, crash, break?

When death comes upon you  
There is only one truth  
Did your daughter even love you?  
Or was she creeping death?  
When death comes upon you  
There is only one truth  
Did your daughter even love you?  
She's a creeping evil mass?

She holds the key  
Loving daughter or a killing machine?  
She's the one who can communicate with the two lost souls  
Say their father had to die, for them to reunite  
At least the family can see the pride?  
The underworld is dealing cards and the summer will move on!

And all this time under water  
All this time  
Did the water take or was it  
Something else that sent a father to his grave  
What did happen all this time?  
Did the water take or did it smack, crash, break?

When death comes upon you  
There is only one truth  
Did your daughter even love you?  
Or was she creeping death?  
When death comes upon you  
There is only one truth  
Did your daughter even love you?  
She's a creeping evil mass?

When death comes upon you  
There is only one truth  
Did your daughter even love you?  
Or was she creeping death?  
When death comes upon you  
There is only one truth  
Did your daughter even love you?  
She's a creeping evil mass?
