

# Ain't Enough

Gotthard

So you tell me this is livin'  
Yeah, this is paradise  
Feeding cheap emotions  
And you're selling "tantalize"

I'm sick of getting brainwashed  
By the media and tv  
Who scatter notes of freedom  
Selling false reality

It's all a big mystery to me  
Another pride is left in agony  
Damned right, that's how the story goes  
All that's makin' me so bored  
Knowing I need so much more

Cuz a little bit,  
Ain't enough, ain't enough  
Not the life I was looking for  
Ain't enough, ain't enough  
Ain't enough, no this ain't no  
World of mine

In this superficial being  
Where everyone's a star  
Go get your 15 minutes fame run  
No matter who you are

You seem to know what's good for me  
Just another step toward insanity  
Damned right that's how the story goes  
Life's a treasure to be found  
Raise your head and look around

Cuz a little bit,  
Ain't enough, ain't enough  
Not the life I was looking for  
Ain't enough, ain't enough  
Ain't enough, no this ain't no  
World of mine
