

Better Than Love

Gotthard

Should you stay? Should you go?
Your mind is everywhere the wind can blow
Do you know? Do you know?
Are you here? Are you gone?
Do you even know where you belong?
So turn it on... Turn it on!

Is desire, is the fire better than love?
Are you wired? Flying higher? Never enough
Is it better? Is it better?
Better? Better than love

Is your heart broken mad?
You keep on laughing but you look so sad
It ain't so bad, it ain't so bad
Is your mind of its own?
So who's to tell you what is right or wrong?
So turn it on... Turn it on!
Turn it on! Turn it on! Turn it on!

Is desire, is the fire better than love?
Are you wired? Flying higher? Never enough
Is it better? Is it better?
Better? Better than love

Turn it on!
Turn it on!

Is desire better than love? Better than love
Are you wired? Flying higher? Never enough
Is it better? Is it better?
Is it better? Is it better?
Better? Better than love
