

BOOM BOOM

Gotthard

The first time I saw you coming
The first time, I felt my soul burning
The first sound, your heart beating
The first sound, I felt my heart bleeding

With every bit of my love
With every bit of my life
You are the kick in my blood
The meaning of being alive

My heart is going
Boom! Boom! Boom! Boom!
When I heard the news
Boom! Boom! Boom! Boom!
When I look at you
Boom! Boom! Boom! Boom!
My heart is going
Your heart is going
Boom! Boom! Boom! Boom!
Feeling I never knew
Boom! Boom! Boom! Boom!
The dream is coming true
And it's all because of you
Your heart is going Boom! Boom

So high, I can't fake it
So hard to keep it a secret
So much, I want it
This love is all and I need it

With inch of my love
With every bit of my life
You are the kick in my blood
The meaning of being alive

My heart is going
Boom! Boom! Boom! Boom!
When I heard the news
Boom! Boom! Boom! Boom!
When I look at you
Boom! Boom! Boom! Boom!
My heart is going
Your heart is going
Boom! Boom! Boom! Boom!
Feeling I never knew
Boom! Boom! Boom! Boom!
The dream is coming true
Boom! Boom! Boom! Boom!
And it's all because of you
Boom! Boom!

Boom! Boom! Boom! Boom!
When I heard the news
Boom! Boom! Boom! Boom!
When I look at you
Boom! Boom! Boom! Boom!
My heart is going

Boom! Boom! Boom! Boom!
Feeling I never knew
Boom! Boom! Boom! Boom!
The dream is coming true
Boom! Boom! Boom! Boom!
And it's all because of you
My heart is going Boom! Boom!
My heart is going Boom! Boom!
Boom! Boom!
