

Devil In The Moonlight

Gotthard

I keep changing my decision
Just forget the things I said
Erase the message off your phone
And forget the things you read
Keep changing my religion
When you're bouncing in my head
I can't shake the thought of you
Bouncing in my bed

Brother! Oh brother! She's yanking on my chain
Mother! Oh mother! It's burning in my veins

Devil in the moonlight
Message in the dark
Shaking up my world
And I wonder who you are
Oh oh oh oh oh
Oh oh oh oh oh
Devil in the moonlight
Can't let it start
Shaking up my world
I don't wanna break a heart
Oh oh oh oh oh
Oh oh oh oh oh

There ain't no superstition
I believe in what I see
But, don't know bout this voodoo spell
I believe you put on me

Brother! Oh brother! She's yanking on my chain!
I'm gonna get burned!
Mother! Oh mother! The pictures are insane!

Devil in the moonlight
Message in the dark
Shaking up my world
And I wonder who you are
Oh oh oh oh oh
Oh oh oh oh oh
Devil in the moonlight
Can't let it start
Shaking up my world
I don't wanna break a heart
Oh oh oh oh oh
Oh oh oh oh oh

Devil in the moonlight
Message in the dark
Shaking up my world
And I wonder who you are
Oh oh oh oh oh
Oh oh oh oh oh
Devil in the moonlight
Can't let it start
Shaking up my world
I don't wanna break a heart

Oh oh oh oh oh
Oh oh oh oh oh
