

# Homerun

Gotthard

First base, its me livin'  
An empty life so wrong  
Heading to nowhere  
Drinking all night long

Then somebody told me  
Man, you better stop  
You're going down  
You need something to believe

On the second, i was building  
Castles in the air  
Dreamed of a kingdom  
I was never going to share

But it felt so empty  
Something should've come my way  
Now i know  
And it's clear inside of me...

Here i stand again  
I'm a gambler, i'm a man  
it's my homerun, my homerun to you  
Every life's a game  
And there's no one you can blame  
This is my homerun, my homerun to you

Third base saw me taking  
All her pictures from the wall  
When love surrendered  
I fell as deep as i could fall

And the fourth back to my music  
To free this troubled mind  
I found something  
After times of being blind

B part. I was searching, bleeding  
Cried some tears of pain  
I was yearning, screaming  
An' all brought me back to you...

Here i stand again  
I'm a gambler, i'm a man  
It's my homerun, my homerun to you  
Every life's a game  
And there's no one you can blame  
This is my homerun, my homerun to you
